By Govt. order No. 2901-S / L.S.37-24-31 dated 16/8/27, sanction was accorded to the purchase of the land adjoining the L. I. dispensary at Chennavarapupeta for extending the Compound of the said Dispensary, at a cost of Rs. 300/-, the cost being met in equal proportion by the Distt Board and the Govt. The area acquired is stated to be 24' × 28'.

It is stated that an extent of 24' × 28' out of the above area is required by the Electrical Dept for the construction of Line mens quarters at the rate of 5 as per sq yd, under sec 42 of the Ingress Distt Act

It is stated that the above land has been lying vacant all along & there no further Govt has been told in the matter. There is no information as to why the land was not utilized for the purpose originally intended & whether it would not be required for the purpose of the Dispensary in future. Perhaps the Senior Surgeon might also be consulted in the matter

Retransmitted with compliments:-

The land was originally purchased for the purpose of extensions to the L.F.Dispensary, Channarayapatna. No compound wall was erected round the dispensary building and why it was not erected is not known. It is reported that the Electric Department has taken up a bit of land 270 ft. by 30 ft. and constructed the Line Men's Quarters for eleven coolies. In front of that, the Municipality of Channarayapatna has put up a road 270 ft. by 24 ft. The rest of the land is left for the Local Fund Dispensary. This piece of land would be useful for the construction of a Maternity Section to the L.F.Dispensary, when funds are available. I am of opinion that the land left now is enough for the purpose. I would, however, suggest that a compound be raised on the side of the new road to mark the limits of the dispensary grounds, so that no further encroachment may occur.
